November Series

Crafting Student-Centered Lessons with BOPPPS

11:00- 12:15 pm November 4 (English) & November 5 (中文)

Transform your lectures with the BOPPPS model.
Creating dynamic lesson plans that captivate students,
promote participation, and meet learning goals.

Small Teaching, Big Impact: Integrate Lectures with Active Learning

11:00- 12:15 pm November 11 (English) & November 12 (中文)

Do you know some small changes can have a big impact
on student engagement and success?
You' ll customize a combination of small teaching
practices to incorporate into your own teaching.
